

# Health Care and Indigenous Australians

Cultural safety in practice

Kerry Taylor & Pauline Guerin

## Health Care and Indigenous

**Australians: Cultural safety in practice** is an easy to read book that focuses on the health care professional and what they can do to contribute to improving the health outcomes of Indigenous Australians. The book uses a cultural safety approach for health students or professionals wanting to improve their practice. With 14 Chapters that include activities, critical thinking questions, poems, 'making it local' activities, and case scenarios, readers will find that the material provides opportunities to think in new ways about Indigenous health and about their practice more generally.

## Key features

- A reader-friendly book initiating a conversation on Indigenous health
- Case studies and activities
- Critical thinking questions
- Locally appropriate practices
- Accompanying Powerpoints
- Directed towards health professionals about cultural safety in practice

## About the authors

**Kerry Taylor** has worked in Central Australia since 1988 across a range of roles and organisations. Kerry has been a recipient of two Flinders University Vice Chancellor's Excellence in Teaching Awards and has had a Carrick citation. Her current research interests include finalising her PhD studies into intercultural communication in Indigenous health care settings and cultural safety.

**Dr. Pauline Guerin** is currently a Senior Lecturer (Psychology) in the School of Nursing & Midwifery at Flinders University. Dr. Guerin is involved in research projects in the Flinders Ranges of South Australia and in the Anangu Pitjantjatjara Yankunytjatjara Lands. Dr. Guerin has taught to students in a wide range of disciplines in the United States, New Zealand, and Australia.
